Mckesson (Sunmark)

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DRUG FACTS

Active ingredient (in each enteric coated tablet)

Bisacodyl USP 5 mg

Purpose

Stimulant laxative

Use

- for relief of occasional constipation (irregularity)
- this product generally produces bowel movement in 6 to 12 hours

Warnings

Do not use

in children under 6 years of age

Ask a doctor before use if you have

- abdominal pain
- nausea
- vomiting
- noticed a sudden change in bowel habits that persists over a period of 2 weeks

Ask a doctor or pharmacist before use if you are

unable to swallow without chewing

When using this product

- do not chew or crush tablets
- do not use within 1 hour after taking an antacid or milk
- abdominal discomfort, faintness, and cramps may occur

Stop use and ask a doctor if

- you need to use more than 1 week
- rectal bleeding or failure to have a bowel movement occurs after use of a laxative. These maybe signs of serious condition.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children

In case of overdose, get medical help or contact a Poison Control Center right away: 1-800-222-1222

Directions

- each tablet works differently. Adults and children over 12 may need fewer tablets to get the same effect as more tablets of another brand
- start with one tablet and take with water. If one tablet does not produce the desired results, then try two or three tablets daily.
- do not take more than 3 tablets daily

adults and children 12 years of age and older	take 1 to 3 tablets in a single dose once daily
children 6 to under 12 years of age	take 1 tablet once daily
children under 6 years of age	Ask a doctor
