Use(s)
treats and helps prevent acne

Warnings
For external use only

Do not use
- have very sensitive skin
- are sensitive to benzoyl peroxide

Ask a doctor before use if you have

Ask a doctor or pharmacist before use if you are

When using this product
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using this product less frequently or in a lower concentration.

Stop use and ask a doctor if
irritation becomes severe

If pregnant or breast-feeding

Keep out of reach of children
If swallowed, get medical help or contact a Poison Control Center right away.

Directions
- clean skin thoroughly before applying this product
- use a pad to cover the affected area with a thin layer of medicine 1 to 3 times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information
- THIS PRODUCT MAY BLEACH HAIR OR DYED FABRICS
- KEEP TIGHTLY CLOSED
- Avoid storing at temperatures above 100°F (38°C)
