Directions

- apply liberally 15 minutes before sun exposure on clean, dry skin
- use a water resistant sunscreen if swimming or sweating
- Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other sun protection measures, including:
- limit time in the sun, especially from 10 a.m.-2p.m.
- wear long-sleeve shirts, pants, hats and sunglasses
- children under 6 months of age: ask a doctor
