TheraBreath Healthy Gums Oral Rinse

Active Ingredient

Cetylpyridinium chloride 0.05%

Purpose

Antigingivitis/Antiplaque

Uses

•Helps prevent gingivitis, an early form of gum disease and bleeding gum
•Helps control plaque that leads to gingivitis and bleeding gums

Warnings

Keep out of reach of children under 6 years of age. If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Warnings

Stop Use and Ask a Doctor If

- Gingivitis, bleeding, or redness persists for more than 2 weeks.
- You have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between teeth. These may or symptoms of periodontitis, a serious form of gum disease.

Directions

Adults and Children 12 years and older	Vigorously swish 20 milliliters (4 teaspoonfuls) of rinse between your teeth twice a day for 30 seconds and then spit out. Do not swallow the rinse.
Children 6 years to under12 years	supervise use.
Children under 6 years	Do not use.

Other Information

This rinse is not intended to replace brushing or flossing.

Here's Our Story:

Healthy gums are the foundation of a healthy mouth. That is why **Dr. Katz** created **TheraBreath Healthy Gums Oral Rinse** for his patients who suffered from gum health issues. Formulated with ingredients demonstrated to support and maintain healthy gums, this rinse has been shown to eliminate germs associated with gum disease. The proprietary blend of antibacterial agents goes to work quickly to help keep your gums looking and feeling their best.

Dr. Harold Katz
Dentist/ Bacteriologist

Our Guarantee To You:

Your satisfaction with every **TheraBreath** product is guaranteed or your money back. If you are not completely satisfied, please contact us for refund instructions.

* For 24 HOURS gingivitis protection, use every day and rinse twice daily after brushing and flossing. For best results, use as part of a twice daily regimen with **TheraBreath Toothpaste**.

Keep out of the reach of children. If spilled on fabrics, wash out immediately. This product was sealed with protective packaging at the laboratory. If seal is missing, do not use.

This rinse may cause temporary staining to the surface of the teeth. This is not harmful, and adequate brushing may prevent its occurrence.
