Clearasil®
Ultra Acne Solution System

Step 1: StayClear® Daily Face Wash

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

When using this product

- avoid contact with eyes. If product gets into eyes, rinse thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- limit use to the face and neck

Stop use and ask a doctor if skin or eye irritation develops

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately

Directions

- for best results, use twice daily. Use everyday in the morning and evening.
- wet face
- dispense 1 pump of wash into palm of hand
- add water and gently massage onto face, avoiding eye area
- rinse off thoroughly with warm water and pat dry
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or directed by a doctor
- if bothersome dryness or peeling occurs, reduce the application to once a day or every other day

Other information

- store in a cool, dry place

Inactive ingredients

water, PPG-15 stearyl ether, glycerin, stearyl alcohol, cetyl betaine, distearyldimonium chloride, sodium lauryl sulfate, oxidized polyethylene, cetyl alcohol, alcohol denat., steareth-21, sodium chloride, behenyl alcohol, PPG-30, steareth-2, fragrance, menthol, disodium EDTA, BHT

Step 2: StayClear® Daily Toner

Warnings

For external use only. Avoid contact with eyes and mouth. **If in eyes**, rinse eyes thoroughly with water. **If ingested**, rinse mouth thoroughly and drink a glass of water.

Stop use if skin irritation occurs. This lotion may not suit very dry skin.

Keep out of reach of children.

Directions

Use everyday in the morning and evening after Step 1. Moisten a cotton ball and smooth over cleansed face and neck, avoiding eye area. Do not rinse. Allow product to dry completely. Follow with application of Step 3.

Ingredients

water, alcohol denat., aloe barbadensis leaf juice, myrtrimonium bromide, cetareth-12, disodium cocoamphodiacetate, sodium chloride, allantoin, chlorhexidine digluconate, tartaric acid, imidazolidinyl urea, methylparaben, propylparaben

Step 3: StayClear® Daily Lotion

Drug Facts

Active ingredient

Salicylic acid 0.5%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

When using this product

- avoid contact with eyes. If product gets into eyes, rinse thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor if skin or eye irritation develops

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer, one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

- store in a cool, dry place

Inactive ingredients

water, glyceryl polymethacrylate, isohexadecane, cyclomethicone, glycerin, butylene glycol, PEG-8, steareth-2, lauryl methacrylate/glycol dimethacrylate crosspolymer, propylene glycol, polyacrylamide, steareth-21, C13-14 isoparaffin, xanthan gum, laureth-7, fragrance, sodium hydroxide, tetrasodium EDTA, methylparaben, propylparaben

Rapid Action Treatment Cream

Drug Facts

Active ingredient

Benzoyl peroxide 10%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips, and mouth
- avoid contact with hair or dyed fabrics, which may be bleached by this product
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if irritation becomes severe

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Directions

- clean skin thoroughly before applying this product
- cover the entire effected area with a thin layer, one to three times daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and as a doctor.

Other information

- keep tightly closed
- store at controlled room temperature 68-77°F (20-25°C)

Inactive ingredients

water, gluconolactone, glyceryl stearate, glycerin, PEG-40 stearate, PEG-100 stearate, cetyl alcohol, dimethicone, magnesium aluminum silicate, xanthan gum, phenoxyethanol, ammonium hydroxide, isopropylparaben, arginine, isobutylparaben, butylparaben, titanium dioxide

ULTRA

Acne Solution System

In emergencies where you need to treat breakouts fast, use the *Rapid Action Treatment Cream* to visibly reduce redness and spot size in as little as 4 hours!

To maintain healthy-looking clear skin, use the 3-step regimen everyday.

- 1** *StayClear*® Daily Face Wash
Oil free, micro-bead cream formula with 2% Salicylic Acid gently exfoliates and deep cleans pores to help clear acne breakouts and prevent new ones from forming.
- 2** *StayClear*® Daily Toner
Fragrance-free formula revitalizes skin leaving it soothed and refreshed.
- 3** *StayClear*® Daily Lotion
Shine control moisturizing formula with 0.5% Salicylic Acid hydrates skin and helps prevent future acne breakouts.
