Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

-----

#### **Drug Facts**

## **Active ingredient**

Benzoyl peroxide 2.5%

### Purpose

Acne treatment

#### Uses

treats and helps prevent acne

#### Warnings

For external use only

#### Do Not Use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

#### When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using this product less frequently or in a lower concentration.

#### Stop use and ask a doctor if

irritation becomes severe

#### If pregnant or breast-feeding

ask a health professional before use.

#### **Keep Out of Reach of Children**

If swallowed, get medical help or contact a Poison Control Center right away.

#### **Directions**

- clean skin thoroughly before applying this product
- use a pad to cover the affected area with a thin layer of medicine 1 to 3 times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

#### Other information

- THIS PRODUCT MAY BLEACH HAIR OR DYED FABRICS
- KEEP TIGHTLY CLOSED
- Avoid storing at temperatures above 100°F (38°C)
