treats and helps prevent acne

Warnings

For external use only

When using this product

- keep away from eyes. If contact occurs, flush thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

If pregnant or breast-feeding

ask a health professional before use.

Keep Out of Reach of Children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wet face
- squeeze scrub into hands and massage gently over face and neck
- rinse thoroughly and pat dry
- because too much drying of the skin may occur, start with 1 use, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce usage to once a day or every other day
