

FACIAL CLEANSER- salicylic acid gel
Halogent, LLC (DBA Exposed Skin Care)

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

PURPOSE

ACNE TREATMENT

ACTIVE INGREDIENT

SALICYLIC ACID (0.5%)

WARNINGS FOR EXTERNAL USE ONLY

USE

FOR THE TREATMENT OF ACNE

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

When using this product avoid contact with eyes. If contact occurs, flush thoroughly with water.

Directions

Wet your face and gently massage facial cleanser into skin for 10 - 15 seconds, avoiding contact with eyes. Thoroughly rinse your face with lukewarm water.

- Wash the entire affected area one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive Ingredients

Water, cocamidopropyl betaine, sodium olefin sulfonate, acrylate copolymer, triethanolamine, propylene glycol, polyquaternium-7, panthenol, phenoxyethanol, disodium EDTA, salvia officinalis (sage) leaf extract, citric acid, fragrance.
