Clear Acne Spot Treatment

Drug Facts

Active Ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment

Use

- For the treatment of acne

Warnings

For external use only

When using this product

- avoid unnecessary sun exposure and use sunscreen
- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water
- using other topical acne medication at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication at a time should be used, unless otherwise directed by a doctor

Stop use and ask a doctor

- if irritation persists

Keep out of reach of children

- If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before applying medication
- cover the entire affected area with a thin layer 1 to 3 times daily
- because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- for children under 10 years of age and under, consult your physician
