Acne Treatment Kit Repairing

Active Ingredients Purpose

Benzoyl Peroxide 2.5% Acne Treatment

To prevent Acne

Keep out of reach of children

For external use only

Warnings

When using this product, avoid unnecessary sun exposure and use a sunscreen. Do not use this medication if you have very sensitive skin or if you are sensitive to benzoyl peroxide. This product may cause irritation, characterized by redness, burning, itching, peeling or possibly swelling. Mild irritation may be reduced by using the product less frequently or in a lower concentration. If irritation still continues, consult a doctor. Keep away from eyes, lips and mouth. This product may bleach hair or dyed fabrics. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions: Use Prescription Care 3-Step System everyday, twice a day for beautiful skin.

Inactive Ingredient

Inactive Ingredients: Water, Propylene Glycol, Ethoxydiglycol, Cetearyl Alcohol, Blyceryl Stearate, Cetearth-20, Dimethicone, Panthenol, Fragrance, Cyclomethicone, Allantoin, Carbomer, Methylparaben, Propylparaben, Triethanol Amine, Diazolidinyl Urea, PEG-100, Stearate, Xanthan Gum

Prescription Care™ Acne Treatment Kit

How Does It Work?

Prescription Care™ uses a 3-step system to treat acne. Three simple steps and a powerful benzoyl peroxide formula will help give you clear skin without a prescription.

DIRECTIONS: Use **Prescription Care™** 3-Step System every day, twice a day for beautiful skin.

STEP 1 Acne Cleanser

This gentle cleanser helps to penetrate the pores and removes oil, dirt, and bacteria with benzoyl peroxide. Leaves your skin feeling extra fresh and clean.

STEP 2 Renewing Toner

Penetrates deeper within the skin's surface. Helps remove excess oil to keep your skin looking healthy. Prepares skin for Step 3.

STEP 3 Acne Repair Lotion

Powerful acne medication quickly reduces and eliminates acne at the source. Helps clear up pimples fast and penetrates down to the pores to prevent new pimples from forming.
