Uses

Temporarily relieves cough associated with the common cold.

Warnings

For external use only

Do not use

- by mouth
- in nostrils

Ask a doctor before use if you have

- persistent or chronic cough such as occurs with asthma or if cough is accompanied by excessive phlegm (mucus).

When using this product, do not

- heat
- microwave
- add to hot water or any container where heating water. May cause splattering and result in burns.

Stop use and ask a doctor if

- a cough that persists for more than 1 week, tends to recur, or is accompanied by fever, rash, or persistent headache. A persistent cough may be a sign of a serious condition.

Keep this and all drugs out of the reach of children. If swallowed, get medical

help or contact a Poison Control Center immediately.

Directions

See important warnings under "When using this product"

Children 2 years and older:

- rub on the throat and chest in a thick layer
- cover with a warm dry cloth if desired
- clothing should be loose about throat and chest to help vapors reach the nose and mouth
- use up to 3 times daily or as directed by a doctor

Children under 2 years of age: Ask a doctor.
