Davis Chlorhexidine Spray

Chlorhexidine Spray

Davis Chlorhexidine Spray with 4% Chlorhexidine Gluconate helps provide quick relief for mild to severe irritation caused by microorganisms and bacteria. This soothing formula may be used on skin allergies, hot spots, insect bites and itching caused by fleabite dermatitis. It will cool inflamed skin and promote healthy regrowth of the coat. Davis Chlorhexidine Spray is effective, yet mild and may be used for dogs, cats, puppies, kittens, horses and foals.

Environmentally Friendly

MADE IN THE USA

Davis Manufacturing

541 Proctor Avenue
