QINGHAI ZANGYUANTANG BIO-TECH CO LTD

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DRUG FACTS

Active ingredient

Camphor 3.1%

Purpose

Topical analgesic

Uses For the temporary relief of minor aches and pains of muscles and joint due to:

- simple backache
- arthritis
- strains
- bruises
- sprains

Do not use

- on wounds
- on irritated or damaged skin

When using this product

- avoid contact with the eyes and mucous membranes
- do not bandage tightly or cover with any kind of wrap except loose clothing

Stop use and ask a doctor if

- condition worsens
- symptoms persist for more than 7 days
- symptoms clear up and occur again within a few days
- excessive irritation of the skin develops
- nausea, vomiting, abdominal discomfort, diarrhea, or skin rash occurs
- when using for pain of arthritis:
 - if pain persists for more than 10 days
 - if redness is present
 - in conditions affecting children under 12 years of age

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 years of age and older:
 - clean and dry the affected area
 - remove the protective film from the plaster
 - carefully tear open a corner of the foil packet using the notch located on the seal about 1/4 inch from one end
 - squeeze the entire contents of the foil packet evenly into the center of the pad
 - apply the plaster to the affected area
 - keep the plaster on the affected area for 8-12 hours

- use 1 or 2 plasters on the affected area daily, as need, but never more than 3 or 4
- children under 12 years of age: do not use, consult a doctor

Other information

- keep tightly sealed, protected from light
- store at room temperature away from heat

Inactive ingredients acidic acid, 60% alcohol, bamboo charcoal, maifanshi stone powder, pepper leaves, and poplar leaves on an elastic, skin colored, cotton fabric with acrylic acid resin, covered with a protective film.
