**Uses:\***

According to homeopathic indications these ingredients temporarily relieve symptoms such as: • abdominal discomfort • cramping • loose, watery stools • gas • bloating • loud rumbling • sudden evacuation • mucous in stools. \* These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

**Warnings:**

**USE ONLY AFTER DIAGNOSIS BY A PHYSICIAN AND UNDER THE SUPERVISION OF A PHYSICIAN.**

- This product is intended to complement, not replace, standard medical treatment.
- Initial worsening of symptoms may occur.
- A physician should always be consulted to rule out serious causes.

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children**

- In case of overdose, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if:

- You experience worsening symptoms.
- If symptoms last longer than 7 days.

- You get abdominal swelling or bulging.

## **Directions**

- Suitable for adults and children 12 years and above.
- Dissolve entire tablet under tongue.
- Do not chew or swallow whole.
- Take 1 tablet 3 times a day or as directed by a physician.
- Use up to 6 times a day as needed.
- Take at least 10 minutes before or at least 10 minutes after eating or drinking.
- Children under the age of 12: consult a physician before use.

Homeopathic remedies may not be effective for everyone.

## **Inactive Ingredients**

Advantol® 300, Lactose, Magnesium Stearate, Mannitol, Microcrystalline Cellulose.

**Do not use if tamper evident seal is torn, broken or missing.**
