Salic-2[®]

Drug Facts

Active ingredients

Salicylic Acid (2%)

Purpose

Acne Medication

Uses For acne treatment

- Reduces the number of whiteheads, blackheads and acne blemishes.

Warnings

For external use only

When using this product

- Avoid contact with the eyes. If contact occurs, rinse thoroughly with water.
- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.

Directions

- Clean the skin thoroughly before applying product.
- Cover the entire affected area with a thin layer one to three times daily.
- Relax for 2-3 minutes, then rinse.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or directed by a doctor.
- If both dryness and peeling occurs, reduce application to once a day or every other day.

Other information

- Keep tightly closed
- Store in a cool & dry place.

Inactive ingredients

Water, Propylene Glycol, Disodium Hydrogen Phosphate Anhydrous, Sodium Lauryl Sulphate, Chlorocresol, Carbopol 940, Fragrance SSC-929/BRH
