

PLUM EMERGENCY EYEWASH - water liquid

Bel-Art Products

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Plum Emergency Eyewash

Active Ingredient

Purified water 99.1%

Purpose

Emergency eyewash and skin flush

Uses

For flushing the eye and skin to reduce chances of severe injury caused by acid, alkali, or particulate contamination.

Warnings

For external use only

Do not use • for injection • in intraocular surgery • internally
• if solution changes color or becomes cloudy.

When using this product • avoid contamination, do not touch tip of container to any surface
• do not reuse. Once opened, discard.

Ask doctor if you have • eye pain • changes in vision
• redness or irritation of the eye after use • an injury caused by alkali

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions • do not dilute solution or reuse bottle

• hold container a few inches above the eye or skin
• control flow of solution by pressure on bottle • flush affected area as needed
• continue to flush with water if necessary • obtain medical treatment

Other Information • not for use as a contact lens solution • twist cap to open

• use before expiration date marked on bottle • store at room temperature, 5° to 35° C (41° to 95° F).

Inactive Ingredients sterile sodium chloride
