Pimple Correct 2% Salicylic Acid Acne Treatment

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

- For the treatment of acne
- Clears acne blemishes and allows skin to heal
- Helps prevent new acne blemishes from forming

Warnings

For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, rinse thoroughly with water.

do not use

on open or irritated skin.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if

- irritation becomes severe.

Directions

- Cleanse skin thoroughly before applying this product.

- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
