Biofreeze Patch Multi Pack

Drug Facts

Active Ingredients:

Menthol USP 5%

Purpose

Cooling Pain Relief

Uses:

Temporary relief from minor aches and pains of sore muscles and joints associated with:
• arthritis • backache • strains • sprains

Warnings:

For external use only

Ask a doctor before use if you have:

Sensitive skin

When using this product:

• Use only as directed • Avoid contact with eyes or mucous membranes • Do not apply to wounds or damaged skin • Do not use with other ointments, creams, sprays, or liniments • Do not apply to irritated skin • Wash hands after use with cool water • Do not bandage or use with heating pad or device • Store in a cool dry place away from direct sunlight

Stop use and ask a doctor if:

You experience pain, swelling or blistering; condition worsens, or if symptoms persist for more than 7 days, or clear up and occur again within a few days

If pregnant or breastfeeding:

Ask a health professional before use

Keep out of reach of children:

If accidentally ingested, get medical help or contact a Poison Control Center immediately

Directions:

- **Adults and Children 12 years of age and older:** Clean and dry affected area, pop apart and partially peel back protective film and apply exposed patch to site of pain. Carefully remove remaining film while pressing patch to skin and leave in place for up to 8 hours. Use on affected areas no more than 4 times daily. Wash hands with cool water after use
- **Children under 12 years of age:** Consult physician
