**PSORIASIS**

2% coal tar formula

non-drying  
multi-symptom  
coal tar gel

extra strength

relieves  
• itching, scaling, redness

reduces  
• inflammation and irritation

helps prevent  
• symptom recurrence

pleasant  
fragrance

**MG217® Medicated Multi-Symptom Gel** is formulated with coal tar which helps stop symptom recurrence.

Coal tar is the only non-prescription active ingredient that works by slowing down excessive cell reproduction, thus

reducing itching, scaling, and plaque build-up.

Specially formulated with Provitamin B5, Aloe and Bisabolol to:

- ▶ Moisturize skin
- ▶ Reduce water loss
- ▶ Promote healthy skin appearance
- ▶ Offer fast absorbing, non-greasy relief

**IMPORTANT:**  
Read all information on this packaging and keep for future reference.
