

**TINEACIDE - tolnaftate liquid**  
**Blaine Labs Inc.**

-----

**Active Ingredients**

Drug facts

Active Ingredient

TOLNAFTATE 1%

**Purpose**

Purpose

Antifungal

**Keep Out Of Reach Of Children**

Keep out of reach of children. If swallowed, get medical help or contact a Poison control Center right away.

**Indications**

Indications

- Cures most athlete's foot (tinea pedis).
- Cures most jock itch (tinea cruris) and ring worm (tinea corporis).
- Relieves itching, cracking, burning, and scaling which accompany these conditions.
- Prevents most athlete's foot (tinea pedis) with daily use.

**Warnings**

Warnings

- Do not use
- on children under 2 years of age unless directed by a physician
- in or near mouth or eyes
- for vaginal yeast infections
- For external use only

**When Using This Product**

When using this product avoid contact with the eyes. If eye contact occurs, rinse thoroughly with water.

**Stop Use And Consult A Physician**

Stop use and ask a physician if irritation occurs or if there is no improvement within 4 weeks (for athlete's foot or ringworm) or within 2 weeks (for jock itch).

## **Directions**

Directions

- Wash the affected areas with soap and water and dry thoroughly. Apply a thin layer over affected area twice daily (morning and night) or as directed by a physician.
- Supervise children in the use of this product.
- For athlete's foot pay special attention to spaces between the toes, wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- For athlete's foot and ringworm, use daily for 4 weeks.
- For jock itch, use daily for 2 weeks. If condition persists longer, consult a physician.
- Wash hands after each use.

## **Other Information**

Other Information

- Store at room temperature.

## **Questions?**

Questions?
