Warnings

For external use only

Stomach bleeding warning

This product contains an NSAID, which may cause stomach bleeding. The chance is small, but higher if you

- are age 60 or older
- have had stomach ulcers or bleeding problems
- take other drugs containing an NSAID (Aspirin, Ibuprofen, Naproxen, or others)
- take a blood thinning (anticoagulant) or steroid drug
- have three or more alcoholic drinks every day while using this product
- take more or for a longer time than directed

Do not use

- on the face or rashes; on wounds or damaged skin
- in the eyes, mouth, or other mucous membranes
- on genitals
- with a heating pad
- if allergic to any NSAIDS
- right before or after heart surgery
- any patch from a pouch that has been opened for 7 or more days

Ask a doctor before use if

- you are allergic to topical products
- the stomach bleeding warning applies to you
- you are taking a diuretic
- you have high blood pressure, heart disease, or kidney disease
- you are pregnant

When using this product

- wash hands after applying or removing patch
- avoid contact with eyes. If eye contact occurs, rinse thoroughly with water
- the risk of heart attack or stroke may increase if you use more than directed or for longer than directed.

Stop use and consult your physician if

- stomach pain or upset gets worse or lasts

- rash, irritation, or itching develops
- you feel faint, vomit blood, or have bloody or black stools (these are signs of stomach bleeding)
- condition worsens

If pregnant or breast feeding,

ask a doctor before use while breast feeding and during the first 6 months of pregnancy. Do not use during last 3 months of pregnancy because it may cause problems in the unborn child or complications during delivery.

Keep out of reach of children.

If put in mouth, get medical help or contact a Poison Control Center right away. Package not child resistant. Dispose of the used patches by folding sticky ends together.

Directions

Adults 18 years and older:

- Apply patch to affected area 1 to 2 times daily or as directed.

Instructions for Use

- clean and dry affected area
- open pouch and remove one patch containing medical adhesive backing
- remove protective film from both patch and medical adhesive
- apply one patch to the affected area of pain and leave in place for 8 to 12 hours
- if pain lasts after using the first patch, a second patch may be applied for up to another 8 to 12 hours
- only use one patch at a time
- do not use more than 2 patches per day
- wash hands with soap and water after applying or removing patch
- reseal pouch containing unused patches after each use

Children under 18 years of age: Do not use

Other information

- some individuals may not experience pain relief until several minutes or hours after applying the patch
- avoid storing product in direct sunlight
- protect product from excessive moisture
- store at 67-77°F (19-25°C)
