Freds Inc

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient (in each tablet)

Caffeine 200 mg

Purpose

Alertness aid

Uses

- helps restore mental alertness or wakefulness when experiencing fatigue or drowsiness

Warnings

- the recommended dose of this product contains about as much caffeine as one cup of coffee. Limit the use of caffeine-containing medications, foods, or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat.
- for occasional use only. Not intended for use as a substitute for sleep.
- **do not give to children under 12 years of age**

Stop use and ask a doctor if

fatigue or drowsiness persists or continues to recur.

If pregnant or breast-feeding,

ask a health care professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- **adults and children 12 years of age and over:** take 1 tablet (200 mg) not more often than every 3 to 4 hours

Other information

- **each tablet contains:** calcium 60 mg
- store at controlled room temperature 15°-30°C (59°-86°F)
