Taro Pharmaceuticals U.S.A., Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredients	Purpose
Capsaicin 0.1%	Topical Analgesic

Uses

For the temporary relief of minor aches and pains of muscles and joints associated with: ● simple backache ● arthritis ● strains ● bruises ● sprains

Warnings

For external use only

Do not use ● on wounds, damaged, or irritated skin ● with a heating pad ● if you are allergic to capsicum or chili peppers ● if allergic to bee stings

When using this product ● avoid contact with the eyes or mucous membranes ● do not bandage tightly ● a transient burning sensation may occur upon application but generally disappears in several days ● do not expose the treated area to heat or direct sunlight

Stop use and ask a doctor if ● condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days ● redness is present or irritation develops ● a severe burning sensation occurs

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 18 years of age and older: ● use only as directed ● apply to affected area but no more than 3 to 4 times daily ● massage onto painful area until thoroughly absorbed ● wash hands with soap and water after applying

Children under 18 years of age: consult a doctor
