ASPIRIN FOR TIME CAP

Each tablet contains Aspirin 325 mg

corn starch, croscarmellose sodium, Hypromellose, microcrystalline cellulose, mineral oil, titanium dioxide

Ask a doctor before use if:

stomach bleeding warning applies to you

You have a history of stomach problems, such as heartburn

You have high blood pressure, heart disease, liver cirrhosis, or kidney disease

You are taking a diuretic

You have asthma

You have not been drinking fluids

You have lost a lot of fluid due to vomiting or diarrhea

WARNINGS: Reye's syndrome: Children and teenagers who have or are recovering from chicken pox or flu-like symptoms should not use this product. When using this product, if changes in behavior with nausea and vomiting occur, consult a doctor because these symptoms could be an early sign of Reye's syndrome, a rare but serious illness.

Allergy alert: Aspirin may cause a severe allergic reaction, which may include, hives, facial swelling, shock, asthma (wheezing)

Stomach bleeding warning: This product contains an NSAID which may cause severe stomach bleeding. The chance is higher if you are age 60 or older, have had stomach ulcers or bleeding problems, take a blood thinning (anticoagulant) or steroid drug, take other drugs containing prescription or nonprescription NSAIDs (aspirin, ibuprofen, naproxen, or others); have 3 or more alcoholic drinks every day while using this product, take more or for a longer time than directed

Do not use

If you are allergic to aspirin or any other pain reliever/fever reducer

Directions:

Drink a full glass of water with each dose

Adults and children 12 years and over: take 1 to 2 tablets every 4 hours while symptoms last

Do not take more than 12 tablets in 24 hours unless directed by a doctor.

Children under 12 years: consult a doctor

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Pain Reliever

Uses:

For the temporary relief of minor aches and pains due to:

headache, colds, muscle pain, menstrual pain, toothache, minor pain of arthritis or as directed by your doctor.
