Sanitary Aid for Hair Loss
Prevention and Good Hairs
[Roothouse En'core Shampoo]

PRODUCT FEATURES

Roothouse Encore Shampoo contains effective elements obtained from natural medical herbs, such as Huttunya Cordata, Perilla ocymoides Leaf, and Thuja Orientalis Leaf, and a patented composite for hair loss prevention and hair growing facilitation which help to increase polyphenol (which has the same structure as estrogen). Therefore, the shampoo product prevents hair loss and increase hair thickness through growing anti-oxidation and improved blood circulation.

DIRECTIONS

After getting hairs wet enough with clean water, apply as needed and make some foam from the almost scalp, and then shampoo as if massaging. When there is plenty of foam, leave it as it is 1-2 minutes. After that, wash hairs well with clean water.
