-----

**Migralex Labeling**

**Active Ingredients** (in each tablet)

Aspirin 500 mg (Purpose: Pain Reliever)

Buffered with Magnesium Oxide 75 mg

**Uses**

for the temporary relief of minor aches and pain associated with:

- Tension Headaches
- Sinus Headaches
- Stress Headaches
- Chronic Headaches
- Menstrual Headaches

**Warnings**

**Reye's syndrome:** Children and teenagers who have or are recovering from chicken pox or flu-like symptoms should not use this product. When using this product, if changes in behavior with nausea and vomiting occur, consult a doctor because these symptoms could be an early sign of Reye's syndrome, a rare but serious illness.

**Allergy alert:** Aspirin may cause a severe allergic reaction which may include hives, asthma (wheezing), facial swelling, shock, rash, skin reddening, and blisters.

**Alcohol warning:** If you consume 3 or more alcoholic drinks everyday, ask your doctor whether you should take aspirin or other pain relievers/fever reducers. Aspirin may cause stomach bleeding.

**Do not use**

if you are allergic to aspirin or any other pain reliever/fever reducer

**Ask a doctor before use if you have**

- kidney disease
- asthma
- a magnesium-restricted diet
- bleeding problems
- stomach problems that last or come back (such as heartburn, upset stomach or stomach pain), or if you have ulcers.

**Ask a doctor or pharmacist before use if you are** taking a prescription drug for

- anticoagulation (thinning the blood)
- gout
- diabetes
- arthritis

### **Stop use and ask a doctor if**

- allergic reaction occurs. Seek medical help right away.
- pain gets worse or lasts for more than 10 days
- new symptoms occur
- fever gets worse or lasts for more than 3 days
- ringing in the ears or a loss of hearing occurs
- redness or swelling is present

**If pregnant or breast feeding**, ask a health professional before use. **It is especially important not to use aspirin during the last 3 months of pregnancy unless definitely directed to do so by a doctor because it may cause problems in the unborn child or complications during delivery.**

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

### **Directions**

- Drink a full glass of water with each dose
- Adults and children 12 years and over: take 2 tablets every 6 hours while symptoms persist, but not more than 8 tablets in 24 hours, or as directed by a doctor
- Children under 12 years: ask a doctor

### **Other Information**

- store at room temperature
- read all product information before using
- save carton for full directions and warnings

### **Inactive Ingredients**

Fractionated coconut oil, Hypromellose, Maltodextrin, Microcrystalline cellulose, Polydextrose, Sodium starch glycolate, Stearic acid, Talc, Titanium dioxide.
