all clear face wash acne control

Drug Facts

Active Ingredient

Salicylic Acid 2%

Purpose

Acne medication

Use

For the treatment of acne

Warnings

For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out if reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every

Inactive Ingredients

Water (Aqua), sodium hydroxide, pentylene glycol, propanediol, glycolic acid, dimethylisosorbide, gluconolactone, xanthan gum, sodium benzoate
