Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

Flammable until dry, keep away from extreme heat or open flame

When using this product

- With other topical acne medications, at the same time or immediately following use of this product, may increase dryness or irritation of the skin. If this occurs, only one acne medication should be used unless directed by your doctor
- Avoid contact with the eyes.

Stop use and ask a doctor if skin or eye irritation occurs.

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Directions

- Cleanse and rinse your face thoroughly before applying medication
- Wipe a pad all over face and neck to cover the entire affected area
- Because excessive drying of the skin may occur, start with one application daily, then

gradually increase to 2 or 3 applications daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day

- For best results, use 2 - 3 times daily.

Other information

- Store in a cool, dry place but do not freeze
- Keep jar tightly closed
