Neutrogena Naturals Acne Spot Treatment

Drug Facts

Active ingredient

Salicylic Acid 1%

Purpose

Acne medication

Use

For the treatment of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

Water, Hydrated Silica, Glycerin, Dicaprylyl Carbonate, Cetearyl Alcohol, Magnesium Aluminum Silicate, Sodium Hydroxide, Cetearyl Glucoside, Butylene Glycol, Hydroxypropyl Starch Phosphate, Coco-Glucoside, Cedrus Atlantica Bark Extract, Portulaca Oleracea Extract, Xanthan Gum, Sodium Phytate, Sodium Benzoate, Benzyl Alcohol, Fragrance
