CVS Pharmacy Rash Cream - Drug Facts

Active ingredients

Zinc oxide 13%

Petrolatum 67%

Purpose

Skin protectant

Use

- Helps relieve and prevent rashes and irritation due to wetness from incontinence
- Protects chafed skin due to irritation and helps seal out wetness

Warnings

☐For ☐external use only.

When using this product

- Avoid contact with eyes

Stop use and ask a doctor if

- Condition worsens
- Symptoms persist more than 7 days or clear up and occur again within a few days

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Gently cleanse affected skin
- Pat dry with a clean, soft cloth or allow to air dry
- Apply generously to affected area as needed, especially after incontinence episodes
- Using a dry tissue to remove excess product from skin is most effective

Inactive ingredients

mineral oil, water, lanolin USP, talc, fragrance, methylparaben.
