

DERMAWASH S2- sulfur soap soap
KAVI Skin Solutions, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DermaWash S2

Dosage & Administration

Directions for Use:

1. Rinse face and/or body with warm water.
2. Dispense 1 to 2 pumps of cleanser onto palm or washcloth.
3. Rub palms or washcloth together, spreading cleanser evenly and building a lather.
4. Cleanse skin gently but thoroughly.
5. Rinse face and/or body with warm water.

Purpose

Designed for daily use, KAVI DermaWash S2 provides an ideal approach to cleansing oily or combination skin. DermaWash S2 utilizes allergy-tested ingredients that are non-comedogenic, pH-balancing, and completely free of animal products.

With the same dosage of sulfur as Coral KAVI, DermaWash S2 is best suited for the treatment of acne-prone skin.

DermaWash S2 can be also used in preparation of the skin prior to administration of a KAVI chemical peel.

Indications & Usage

DermaWash S2 is best suited for the treatment of acne-prone skin.

Directions:

1. Rinse face and/or body with warm water.
2. Dispense 1 to 2 pumps of cleanser onto palm or washcloth.
3. Rub palms or washcloth together, spreading cleanser evenly and building a lather.
4. Cleanse skin gently but thoroughly.
5. Rinse face and/or body with warm water.
