Wart Remover Gel Pen

Active ingredient

Salicylic acid 17%w/w

Purpose

Wart remover

Use

- for the removal of common and plantar warts. The common wart is easily recognized by the rough 'cauliflower-like' appearance of the surface
- Plantar wart is recognized by its location only on the bottom of the foot, its tenderness and the interruption of the footprint pattern

Warnings

For external use only.

Flammable

- keep away from fire or flame

Do not use

- if you are a diabetic or have poor blood circulation, except under the advice and supervision of a doctor or podiatrist
- on moles, birthmarks and warts with hair growing from them
- on mucous membranes such as nose, anus, genitals and lips
- on irritated, infected or reddened skin
- on genital warts and warts on the face

Ask doctor before use if you have:

- diabetes
- poor blood circulation

When using this product

- avoid contact with eyes
- avoid inhaling vapors
- if product gets into the eyes, flush with water for 15 minutes

Stop use and consult a doctor if

discomfort persists

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- after washing affected area
- may soak wart in warm water for 5 minutes
- dry area thoroughly
- remove cap from pen
- remove insert pin from the tip and discard
- twist and click pen until wart remover gel is dispensed onto the tip of the applicator. Initial use will require several rotations for the gel to load
- apply a small amount at a to sufficiently cover each wart
- let dry
- repeat this procedure once or twice daily (until wart is removed) for up to 12 weeks
- for storage, ensure applicator is free of excess gel before placing the cap back on
- keep outer package for complete Drug Facts information

Other information

- store between 59°F to 86°F (15°C to 30°C)
- if gel hardens at tip of applicator, dispense product and remove blockage

Inactive ingredients

camphor, castor oil, ethyl acetate, hydroxypropyl cellulose, hypophosphorous acid, isopropyl alcohol, nitrocellulose, polysorbate 80, SDA 3C ethyl alcohol
