Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Pharmaskincare Acnecare Dermacontrol Cream

Active Ingredient

Benzoyl Peroxide 5.0%

Purpose

Acne Treatment

Warnings

- For external use only.
- When using this product : skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration. Stop use and ask a doctor if irritation becomes severe

Do not use if you:

- have very sensitive skin
- are sensitive to benzoyl peroxide

Directions

Clean the skin thoroughly before applying this product. Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Sensitivity Test for a New User. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated

Uses:

For the treatment of acne.

Inactive Ingredients:

Water, Stearic Acid, Cetyl Alcohol, Ethoxydiglycol, Caprylic/Capric Triglyceride, Carbomer, Dimethicone, Jojoba Esters, Polyglyceryl-3 Beeswax, Polyglyceryl-6 Distearate, Lactic Acid, Glycolic Acid, Hydroxyethylcellulose, Sodium Hydroxide, Sodium PCA, Citrus Aurantium Bergamia (Bergamot) Peel Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil, BHT, Titanium Dioxide, *CO Glycerin, Glycerin, Citric Acid, Malic Acid, DMAE, Ubiquinone, Thioctic Acid, Gluconic Acid, Ascorbic Acid (Vitamin C), Malus Domestica Fruit Cell Culture Extract, Salicylic Acid, Tartaric Acid, *CO Humulus Lupulus (Hops) Extract, *CO Lavandula Angustifolia (Lavender) Flower/Leaf/Stem Extract, *CO Calendula Officinalis Flower Extract, *CO Chamomilla Recutita (Matricaria) Flower Extract, *CO Citrus Limon (Lemon) Peel Extract, *CO Cucumis Sativus (Cucumber) Seed Extract, *CO Camellia Sinensis Leaf Extract, *CO Pyrus Malus (Apple) Fruit Extract, *CO Spirulina Platensis Extract, Xanthan Gum, Lecithin, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Benzyl Alcohol, Dehydroacetic Acid

The Pharmaskincare® Advanced Science® Acnecare collection addresses many of the systemic causes of acne. For decades, salicylic acid and benzoyl peroxide have been at the front line of treating blemishes and breakouts. Pharmaskincare has used these ingredients and taken them a step further by combining their powerful acne-fighting properties with nourishing and hydrating botanicals. The Acnecare collection effectively works to keep breakouts at bay without overly drying the skin, making way for a soothed, clear, and healthy complexion.

Pharmaskincare® Advanced Science® Acnecare Dermacontrol Cream targets problem areas with its effective acne control properties, working to control breakouts, reduce blemishes, and clarify the complexion. It is fortified with benzoyl peroxide and glycolic acid to exfoliate and brighten the skin and is enriched with sodium PCA, a natural emollient that works to keep skin moisturized and balanced. For maximum results, use daily with the Pharmaskincare Acnecare line.

Pharmaskincare® has been at the forefront of the beauty industry, its ground-breaking technology making way for an innovative and unique approach to addressing various skin conditions. Each collection is designed to fuse nature's potent restorative powers with scientifically advanced ingredients. Harnessing the benefits of certified organic botanical extracts, alpha hydroxy acids, advanced peptides, vitamins, and more, Pharmaskincare offers skin gentle and effective formulations that provide the best possible care for your skin. From adolescence to maturity, Pharmaskincare has designed products that will guide your skin through each stage.

Pharmaskincare® is committed to making products that are environmentally conscious and free of parabens, sulfates, dyes, mineral oils and lanolin.
