

ZAPZYT ACNE TREATMENT GEL- benzoyl peroxide gel
Focus Consumer Healthcare, LLC

Zapzyt Acne Treatment Gel

Benzoyl Peroxide 10%

Acne treatment

Uses

for the treatment and prevention of acne pimples, blemishes, blackheads or whiteheads

Warnings

For external use only.

DO NOT USE this product if you have sensitive skin or if you are sensitive to benzoyl peroxide

When using this product

Avoid unnecessary sun exposure and use sunscreen. Allow ZAPZYT acne gel to dry, then follow the sunscreen directions.

Avoid contact with hair or dyed fabric, including carpet and clothing which may be bleached by this product.

Skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Mild irritation may be reduced by using this product less frequently or in a lower concentration. If irritation becomes severe, discontinue use; if irritation still occurs consult a doctor.

Using other topical acne medications at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep away from eyes, lips and mouth

OTC - Keep out of Reach of Children

If swallowed, get medical help or contact a Poison Control Center right away. Store at room temperature 15-30 degrees C (59-86 degrees F).

Directions

Use a ZAPZYT cleaning product to thoroughly wash face before applying gel.

Apply ZAPZYT Acne Treatment Gel to areas where pimples and excess oil occur

Apply ZAPZYT before using moisturizer or makeup; do not rinse.

If excessive drying of the skin occurs, reduce applications to once a day, or every other

day.

For best results use up to three times daily. Once your skin has cleared, continue using ZAPZYT to keep new pimples from forming

Inactive ingredients

Laureth-4, Carbomer 980, EDTA, Disopropylamine, Purified Water USP
