Purpose

Acne Treatment

Uses

- For the treatment of Acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Avoid contact with eyes.

If contact occurs, flush thoroughly with water.

Directions

- Wet your face with warm water before dispensing the cleanser into your hands.
- Massage into your face in circular motions, working from the centre of the face outwards, avoiding contact with the delicate eye area.

YourGoodSkin™ Guide

Wet your face with warm water before dispensing the cleanser into your hands. Massage into wet skin in circular motions, working from the centre of your face outwards. Rinse away with warm water. Try not to have the water too hot as this can dry out your skin. Use daily & follow with your Balancing Skin Concentrate. Make sure it does not get into your eyes. If it does then rinse well with water immediately.

Nettoyant apaisant en crème
La peau est nette et instantanément apaisée.

Guide YourGoodSkin™
Mouiller le visage à l'eau tiède avant de déposer le nettoyant dans les mains. Masser sur la peau humide en mouvements circulaires, en partant du centre vers l'extérieur. Rincer à l'eau tiède. Ne pas utiliser une eau trop chaude qui pourrait assécher la peau. Utiliser chaque jour et faire suivre du Concentré équilibrant pour la peau. S'assurer que le produit n'entre pas en contact avec les yeux. En cas de contact avec les yeux, rincer immédiatement à l'eau.

Crema limpiadora calmante
La piel luce nítida y se siente instantáneamente cómoda.

Guía YourGoodSkin™
Humedezca el rostro con agua tibia antes de colocar la crema limpiadora en la palma de la mano. Masajea sobre la piel húmeda con movimientos circulares, trabajando desde el centro del rostro hacia afuera. Enjuague con agua tibia. Evite no usar agua demasiado caliente, dado que puede secar la piel. Úsela a diario y continúe con el Concentrado equilibrante para la piel. Asegúrese de que el producto no entra en contacto con los ojos. Si entra en contacto con los ojos, enjuague con abundante agua inmediatamente.

Proven to give you more good skin days. Formulated without parabens, SLS & oil-free. Dermatologically tested & suitable for all skin, even sensitive.
