Sulphur 12X HPUS	hot flashes, night sweats

*“HPUS” indicates that the active ingredients are in the official Homeopathic Pharmacopœia of the United States.*

**Uses**

Temporarily relieves the symptoms of overactive bladder, irritability, hot flashes, and night sweats experienced during menopause. You may be suffering from overactive bladder if you have had 2 or more of the following symptoms for **at least 3 months**:

- urinary frequency (the need to urinate more often than usual; typically more than 8 times in 24 hours).
- urinary urgency (a strong need to urinate right away).
- urinary incontinence (leaking or wetting yourself if you cannot control the urge to urinate).

**Warnings**

**Frequent urination can also be caused by:** • Urinary tract infections (UTI). • diabetes. • early pregnancy. • other more serious conditions. If you think you might have one of these conditions, it is important to see your doctor before use.

**As with any drug, ask a doctor before use if pregnant or breast-feeding.**

**Do not use:** • more than directed. • if you have a known allergy to any ingredient in this product.

**Consult a physician if** symptoms persist for more than 7 days or worsen.

**Keep this and all medications out of reach of children.** In case of accidental overdose, contact a medical professional or Poison Control Center immediately.

### ***Drug Facts (continued)***

**Do not use if imprinted tamper-evident bottle sleeve is broken or missing.**

### ***In case of emergency***

**In case of emergency,** contact a medical professional or Poison Control Center immediately. Doctor Wise by Hyland's may also be contacted for emergency information about our products 24 hours a day, 7 days per week at (800) 624-9659.

### ***Directions***

**Adults:** Take two tablets at onset of symptoms and repeat every four hours as needed.

### ***Inactive ingredients***

Acacia Gum, Lactose
