Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Sunmark Fiber Caplets

Active ingredient (in each caplet)

Methylcellulose 500 mg

Purpose

Bulk-forming laxative

Uses

- relieves occasional constipation to help restore and maintain regularity
- generally produces a bowel movement in 12-72 hours

Warnings

Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Ask a doctor before use if you have

- abdominal pain, nausea or vomiting
- a sudden change in bowel habits that persists over a period of 2 weeks

When using this product

- do not use laxative products for a period longer than one week unless directed by a doctor
- do not use if you are on a low salt diet unless directed by a doctor

Stop use and ask a doctor if

- rectal bleeding occurs
- you fail to have a bowel movement after use

These could be signs of a serious condition

Keep out of reach of children

In case of overdose, get medical help or contact a poison control center right away.

Directions

This product generally produces effect in 12-72 hours

- take this product (child or adult) dose with atleast 8 ounces (a full glass) of water or other fluid
- taking this product without enough liquid may cause choking, see choking warning
