-----  
**Sound Body Lidocaine Patch**

**Active ingredient**

Lidocaine 4%

**Purposes**

Topical Anesthetic

**Uses**

Temporarily relieves minor pain

**Warnings**

For external use only

**Do Not Use**

- more than 1 patch on your body at a time or on cut, irritated or swollen skin
- on puncture wounds
- for more than one week without consulting a doctor

**When Using This Product**

- use only as directed. Read and follow all directions and warnings on this label.
- rare cases of serious burns have been reported with products of this type
- do not apply to wounds or damaged, broken or irritated skin
- do not allow contact with the eyes and mucous membranes
- do not bandage tightly or apply local heat (such as heating pads) to the area of use
- do not use at the same time as other topical analgesics
- dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch.

**Stop Use and Ask a Doctor if**

- condition worsens
- redness is present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days
- you experience signs of skin injury, such as pain, swelling, or blistering where the product was applied

### **If Pregnant or Breast-Feeding**

ask a health professional before use.

### **Keep Out of Reach of Children and Pets**

If swallowed, get medical help or contact a Poison Control Center right away.

### **Directions**

#### **adults and children over 12 years:**

- clean and dry affected area
- remove backing from patch by firmly grasping both ends and gently pulling until backing separates in middle
- carefully remove smaller portion of backing from patch and apply exposed portion of patch to affected area
- once exposed portion of patch is positioned, carefully remove remaining backing to completely apply patch to affected area
- use 2 patch for up to 24 hours

**children 12 years or younger:** ask a doctor

### **Inactive Ingredients**

dihydroxyaluminum aminoacetate, glycerol, kaolin, methylparaben, polyacrylic acid, propylene glycol, propylparaben, pvp, sodium polyacrylate, tartaric acid, titanium dioxide, tween 80, water
