Pain Crush

Drug Facts

Active ingredient ⁺

Menthol 7%

Purpose

Topical analgesic

Uses temporarily relieves the minor aches and pains of muscles and joints associated with:

- simple backache
- arthritis
- strains
- bruises
- sprains

Warnings

For external use only.

Flammable. Keep away from fire or flame.

Do not use

- on wounds or damaged skin
- on a child under 12 years of age with arthritis-like conditions

Ask a doctor before use if you have redness over the affected area.

When using this product

- avoid contact with eyes or mucous membranes
- do not bandage tightly or use with a heating pad

Stop use and ask a doctor if

- condition worsens
- symptoms persist for more than 7 days or clear up and occur again within a few days
- excessive skin irritation occurs

If pregnant or breast-feeding, ask a doctor before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- shake well before each use
- adults and children 12 years of age and over: apply to affected area not more than 3 to 4 times daily
- children under 12 years of age: ask a doctor

Other information

- store between 20 to 25°C (68 to 77°F)

- close cap tightly after use
- see bottom of bottle for Lot No. and Exp. Date.
