SANI-HANDS ALC ANTIMICROBIAL ALCOHOL GEL WIPES

Uses

- Antiseptic.
- For handwashing to decrease bacteria on the skin; after assisting ill persons; and before contact with a person under medical care or treatment.
- Apply topically to the skin to help prevent cross-contamination.
- Recommended for repeated use.
- Dries in seconds.

Warnings

- **Flammable, keep away from fire or flame.**
- **For external use only.**
- Do not use in or contact the eyes.
- Discontinue use if irritation and redness develop. If condition persist for more than 72 hours consult a physician.
- If swallowed, get medical help or contact a Poison Control Center immediately.
- **Keep this out of reach of children** unless under adult supervision.

Directions

- Tear open packet.
- Open and unfold towelettes
- Wipe hands, fingers, interdigital areas and wrists thoroughly with towelette. Be sure to utilize the entire wipe surface.
- For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe. Allow to dry.
- If hands are visibly soiled or contaminated, use first wipe to clean hands, then discard wipe. Sanitize with a second wipe.
- Discard after single use.

Other information

Lot No. and Expiration Date can be found on packet.

Dosage

For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe. Discard after single use.
