

SOLUTION- minoxidil solution

Walgreens

For Women Minoxidil Topical Solution USP 2% Hair Regrowth Treatment

Active Ingredient

Minoxidil 2% w/v.....Hair regrowth treatment

Use

To regrow hair on the scalp (vertex only, see picture on side of carton)

Warnings

For external use only.

Flammable: Keep away from fire or flame

Do not use if:

- Your degree of hair loss is different than that shown on the side of this carton, because this product may not work for you
- You have no family history of hair loss
- Your hair loss is sudden and/or patchy
- Your hair loss is associated with childbirth
- You do not know the reason for your hair loss
- You are under 18 years of age. Do not use on babies and children
- Your scalp is red, inflamed, irritated or painful
- You use other medicines on the scalp

Ask a doctor before use if you have:

- Heart Disease

When using this product:

- Do not apply on other parts of the body
- Avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water
- Some people have experienced changes in hair color and/or texture
- It takes time to regrow hair. You may need to use this product 2 times a day for at least 4 months before you see results
- The amount of hair regrowth is different for each person. This product will not work for everyone

Stop use and ask a doctor if:

- Chest pain, rapid heartbeat, faintness, or dizziness occurs
- Sudden, unexplained weight gain occurs
- Your hands or feet swell
- Scalp irritation or redness occurs
- Unwanted facial hair growth occurs

- You do not see hair regrowth in 4 months

May be harmful if used when pregnant or breast-feeding.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Other Information:

- See hair loss pictures on side of this carton
- Before use, read all information on carton and enclosed leaflet
- Keep the carton. It contains important information
- In clinical studies of mostly white women aged 18-49 years with mild to moderate degrees of hair loss, the following response to 2% minoxidil topical solution was reported: 19% of women reported moderate hair regrowth after using 2% minoxidil topical solution for 8 months (19% had moderate regrowth; 40% had minimal regrowth). This compares with 7% of women reporting moderate hair regrowth after using placebo, the liquid without minoxidil in it for 8 months (7% had moderate regrowth, 33% had minimal regrowth)
- Store at controlled room temperature 20° to 25°C (68° to 77°F). Keep tightly closed.

Directions:

- Apply one mL with dropper 2 times a day directly onto the scalp in the hair loss area
- Using more or more often will not improve results
- Continued use is necessary to increase and keep you hair regrowth, or hair loss will begin again
