TRISEPTIN Hand and Body Antiseptic – alcohol lotion
CareFusion

Drug Facts

Active ingredient

Ethyl alcohol 70% v/v

PURPOSE

Antiseptic

Uses

Surgical Hand Scrub:

- Significantly reduces the number of microorganisms on the hands, forearms and body prior to surgery or patient care.

Patient Preoperative Skin Preparation:

- For preparation of the skin prior to surgery or an injection.
- Helps reduce bacteria that can potentially cause skin infection.

Warnings

- **Flammable, keep away from fire or flame.**
- **For external use only.**
- **Do not use**
 - if you are allergic to or have a known or suspected hypersensitivity to any ingredient in this product.
 - on or near the eyes, mucous membranes, genital skin, or mouth. If product gets into the eyes, flush immediately with water.
 - Avoid contact with broken skin.
 - **Stop use and ask doctor if** irritation and redness develop. If condition persists for more than 72 hours consult a physician.
- **Keep out of reach of children.**
- If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Surgical Hand Scrub:

- Clean under nails with a nail pick. Nails should be maintained with a 1 mm free edge.
- Wet hands and forearms.
- Dispense palmful (approx. 7 ml) of TRISEPTIN Scrub into the palm of one hand.

- Twist fingertips of the opposite hand, working TRISEPTIN under the nails.
- Transfer TRISEPTIN to the opposite hand and repeat with fingertips of the other hand.
- Rub TRISEPTIN over the hands and up the forearms to just past the elbow, paying particular attention to the nails, cuticles and interdigital spaces for 90 seconds.
- Rinse and repeat the procedure to just below the elbows. Rinse completely.

Patient Preoperative Skin Preparation:

- Apply to cleanse the surgical site and surrounding area 12 hours and 6 hours prior to surgery.
- Clean the surgical area.
- Place a palmful (approx. 7 ml) of TRISEPTIN to the surgical site and surrounding area and rub for 90 seconds paying particular attention to the surgical area.
- Rinse and repeat.
- Rinse completely.

Other information

- Store at 20-25° C (68-77° F).
- Avoid freezing and excessive heat.
- Protect from light until use.
- Shake well.

Inactive ingredients

Benzethonium chloride, citric acid, cocamine oxide, fragrance, glyceryl laurate, hydroxypropylcellulose, phenylethyl alcohol, phosphoric acid, polyoxyl 40 stearate, propyl gallate, propylene glycol, purified water, zinc pyrithione.
