Olive Vaginal Spray

Do not use if have never had a vaginal infection diagnosed by a doctor.

Ask a doctor before use if you have:

-vaginal itching and discomfort for the first time.

-lower abdomina, back or shoulder pain, fever chills, nausea, vomiting or foul-smelling vaginal discharge. You may have a more serious condition

-vaginal yeast infections often (such as once a month or 3 in 6 months). You could be pregnant or have a serious underlying medical cause for your symptoms, including diabetes or a weakened immune system.

-been exposed to the human immunodeficiency virus (HIV) that causes AIDS.

Olive Vaginal Spray

Keep out of reach of children. The ingredients in this product are 100% edible. However, this product is not meant to be swallowed. If swallowed, contact your doctor.

Olive Vaginal Spray

A homeopathic remedy for the relief of vaginal irritations that can also be associated with yeast, including external and internal itching & soreness, abnormal vaginal discharge, odor, redness and swelling.

Olive Vaginal Spray

Adults and children 12 years of age and over:

- Apply a drop of product to outside of tube to lubricate tube prior to insertion.
 - Insert applicator tube into vagina and apply 2-3 sprays in the morning and again at bedtime, for up to 10 days.
 - additional applications during the day can be applied as needed without any danger of overdose.
 - apply product while lying down to minimize leakage.
 - after each use, wash applicator tube in warm soapy water or replace with a new one.
- Children under 12 years of age, ask a doctor.

Olive Vaginal Spray

Borax - Leucorrhoea like white of egg; pruritus of vulva and eczema; Urine strong smelling; Acrid leucorrhea, unnaturally hot with swelling of labia.

Helonius - Pruritus vulvae; leucorrhoea; parts hot, red and swollen, burn and itch terribly. Intense pruritus, vulvar and vaginal, labia and adjoining skin red and swollen.

Kreosotum - Excoriating, burning and offensive discharges; offensive urine; violent itching of vulva and vagina; burning and swelling of labia; leucorrhoea yellow, acrid.

Platina - Female parts hypersensitive; excessive itching in uterus; Leucorrhea like white of eggs.

Olive Vaginal Spray

Active Ingredients:

Borax 8X, Helonius 8X, Kreosotum 12X, Platina 12X

Use: For the relief of vaginal irritations that can also be associated with yeast including: itching; soreness; abnormal vaginal discharge; odor; redness and swelling.

(30 ml)

To help this product work better it is very important to restrict your intake of sugars, carbohydrates, sodas, alcohol and fermented foods while using Olive Vaginal Spray. The intake of these foods and beverages causes yeast to grow.

Homeopathy is a natural approach to medicine that works without contra-indications (interference with other medications you may be taking) or side-effects, to stimulate the body's curative responses so that the body helps to heal itself. Homeopathy works under the principle of "like curing like" such that the medicine may initially cause a mild reaction in the body of symptoms similar to the symptoms that the product is trying to relieve.

Natural antimicrobial products from plant sources are proving to be potent preventatives, treatments, and stimulants of the body's natural immune system, without the side-effects of many modern pharmaceutical drugs.

Read the ingredients on the labels of the over-the-counter medications that are commonly used to treat yeast infections and see if you are comfortable inserting those chemicals into your body. Seagate Olive Vaginal Spray offers an alternative using 100% all-natural edible, chemical-free ingredients that provide relief for these vaginal irritations.

Established in 1981 Seagate produces a variety of natural products from raw materials derived from their organic farming and fishing operations:

- **Homeopathic Cold Remedies**
- **Immune Support**
- **Joint Support**
- **Homeopathic Topical Skin Care**
- **Healthy Heart and Circulation**
- **Diet Support and Colon-cleanse**
- **Organic fertilizer**
- **Organic vegetable concentrates**

Purpose

Use

- A homeopathic remedy for the relief of vaginal irritations that can also be associated with yeast, including external and internal itching & soreness, abnormal vaginal discharge, odor, redness and swelling.

Warnings

For vaginal use only

Do not use if you have never had a vaginal infection diagnosed by a doctor

Ask a doctor before use if you have

- vaginal itching and discomfort for the first time
- lower abdominal, back or shoulder pain, fever chills, nausea, vomiting, or foul-smelling vaginal discharge. You may have a more serious condition
- vaginal yeast infections often (such as once a month or 3 in 6 months). You could be pregnant or have a serious underlying medical cause for your symptoms, including diabetes or a weakened immune system.
- been exposed to the human immunodeficiency virus (HIV) that causes AIDS

When using this product

- do not use tampons, douches, spermicides, or other vaginal products. Condoms and diaphragms may be damaged and fail to prevent pregnancy or sexually transmitted diseases (STDs).
- do not have vaginal intercourse.
- mild increase in vaginal burning, itching or irritation may occur immediately following use.
- avoid dripping on clothing as this product will stain

Stop use and ask a doctor if • symptoms do not improve in 3 days • symptoms last more than 10 days • you get a rash or hives, abdominal pain, fever, chills, nausea, vomiting, or foul-smelling discharge

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. The ingredients in this product are 100% edible. However, this product is not meant to be swallowed. If swallowed, contact your doctor.

Directions

- before using this product read the enclosed *Consumer Information Leaflet* for complete directions and information
- adults and children 12 years of age and over:
 - apply a drop of product to outside of tube to lubricate tube prior to insertion
 - insert applicator tube into vagina and apply 2-3 sprays in the morning and again at bedtime, for up to 10 days
 - additional applications during the day can be applied as needed, without any danger of overdose
 - apply product while lying down to minimize leakage
 - after each use, wash applicator tube in warm soapy water or replace with a new one
- children under 12 years of age: ask a doctor

Other Information

- Do not use if shrink seal over the bottle marked "Sealed for your protection" is missing or has been tampered or if bag containing replacement applicators is tampered or missing.
- Store at room temperature out of direct sunlight.
- Does not require refrigeration.

Inactive Ingredients Extra Virgin Olive Oil, Natural Coconut Oil, Omega-3 Shark Liver Oil, vanilla fragrance, Natural Vitamin E.
