Avon Products, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient

Salicylic Acid 0.50%.....

Purpose

.....Acne Treatment

Uses

- for the treatment of acne
- reduces the number of acne blemishes
- clears up most acne blemishes

Warnings

For external use only

When using this product

- Skin irritation and dryness is more likely to occur if you use other topical acne medications at the same time. If irritation occurs, only use one topical medication at a time.

Keep out of reach of children. If

swallowed, get medical help or contact a
Poison Control Center right away.

Sunburn Alert: Use only as directed. This product contains an alpha hydroxy acid that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Please limit sun exposure and apply a sunburn protectant while using this product and for a week afterwards.

Directions

Wet face. Squeeze product onto fingertips and then gently rub and smooth over face to activate warming sensation. Leave on 5-10 minutes. Rinse well with warm water. Use 3 times per week.

Inactive ingredients: DIPROPYLENE
