Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Joint & Muscle Pain Cream

Menthol (5%)

Topical Analgesic

Uses

Provides penetrating temporary relief for minor pain in muscles and joints associated with:

- Backache
- Arthritis
- Bruises
- Sprains

Warnings

- **For external use only.** Do not use with a heating pad. Do not apply to wounds or damaged skin. Do not bandage tightly after use.
- Avoid contact with eyes.
- Discontinue use and consult a physician if condition worsens, or if symptoms persist more than 7 days, or clear up and occur again within a few days.

Keep out of reach of children.

If swallowed, get medical help or contact a poison control center right away.

Directions

- **Adults and children over the age of 2:** Apply generously to affected area. Massage well into painful area. Repeat as necessary, but not more than 3 to 4 times daily.
- **Children under the age of 2:** Do not use; consult a physician.
