TrizChlor® 4 Spray Conditioner

For support of healthy skin for animals with conditions responsive to chlorhexidine.

Active Ingredients: 4% Chlorhexidine Gluconate, USP

Also Contains: Water, Glycerin, Polysorbate 20, Polysorbate 80, Butylene Glycol, Fragrance, TrizEDTA® (Tromethamine, USP; Disodium EDTA, USP), Decolorized Aloe Vera, Methylisothiazolinone

Directions for Use: SHAKE WELL BEFORE EACH USE. For dry application - apply directly to skin and haircoat and allow to dry. For wet application or after shampooing - remove excess moisture and apply directly to skin and haircoat. Use as often as desired or as directed by veterinarian.

Caution: For topical use only. Avoid contact with eyes. If skin irritation develops or increases, stop use and call your veterinarian. Keep out of the reach of children and pets.

Human Warning: Wash hands after use. Rare but serious allergic reactions have been reported with exposure to chlorhexidine gluconate.

Store at room temperature.

Available through licensed veterinarians.

For Veterinary Use Only.
