

HYR ACNE WASH- benzoyl peroxide solution
General Resources LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

HYR Acne Wash (Benzoyl Peroxide 5%)

Drug Facts

Active ingredient

Benzoyl Peroxide USP, 5%

Purpose

Acne Treatment

Uses

for the treatment of acne

Warnings

For external use only.

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor if irritation becomes severe

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- shake well
- wet affected area and apply product in a thin layer one to three times daily. Rinse well and pat dry.
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or directed by a doctor.
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, use a sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Inactive ingredients carbomer, purified water, sodium benzoate, sodium C14-16 olefin sulfonate, stearic acid
