Drug Facts

Active ingredients

Salicylic acid 1.5%

Purpose

Acne Treatment

Uses

- For the treatment of Acne.
- Helps keep skin clear of new acne blemishes, blackheads or whiteheads.

Warnings

For external use only.

Avoid eye and lip areas

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Flammable, keep away from heat and flame.

Keep out of reach of children. If swallowed, get medical help or contact Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times a daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other information

- You may report a serious adverse reaction to: tarte c/o Report Reaction, LLC, P.O. Box 22, Plainsboro, New Jersey 08536-0222.
