

ELECTRUM NUMB ANESTHETIC- lidocaine hcl spray
RENU LABORATORIES, INC.

ELECTRUM NUMB SPRAY ANESTHETIC

Active Ingredient

Lidocaine HCl 4%

Purpose

Topical Anesthetic

Uses

For the temporary relief of pain associated with minor skin procedures

Warnings

For external use only

Do Not Use

- on large areas of the body or on cut, irritated or swollen skin
- on puncture wounds
- for more than one week without consulting a doctor

When using this product

- Use only as directed. Read and follow all directions and warnings on this label.
- rare cases of serious burns have been reported with products of this type
- do not bandage or apply local heat (such as heating pads) to the area of use or use with a medicated patch
- avoid contact with eyes and mucous membranes
- a transient burning sensation may occur upon applicator but generally disappears in several days

Stop use and ask a doctor if

- Condition worsens
- redness is present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days
- you experience signs of skin injury, such as pain, swelling, or blistering where the product was applied

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children and pets

- If swallowed, get medical help or contact a poison control center right away

Directions

adults and children over 12 years:

- apply a thin layer to affected area every 6 to 8 hours, not to exceed 3 applications in a 24 hour period

- after applying, wash hands with soap and water
- children 12 years or younger - ask a doctor
