## Skin Long-Wear Weightless Foundation Broad Spectrum SPF 15

Full, long-wear coverage that looks and feels like skin—not masky, heavy or cakey. This high-performance, oil-free formula creates a poreless, shine-free finish with incredibly comfortable day-to-night wear.

- Silky emulsion of true-to-skin pigments, hydrating emollients and wear-extending ingredients floats over skin and delivers flexible, breathable coverage.
- Instantly mattifies oily skin for a natural look that is never dry, dull or flat. It helps minimize oil throughout the day, and reduces the appearance of pores over time.
- Stays fresh all day—and into the night—with coverage that lasts even in hot and humid climates.

**Usage:** Prime skin with moisturizer, then apply foundation with brush, sponge or fingers. Shake well before use.
